

## *Afternoon Tea Menu*

### **A British Festive Tradition**

The custom of Afternoon Tea began with Anna, the 7th Duchess of Bedford, in the early 1840s.

What started as a simple afternoon treat soon evolved into a beloved symbol of British elegance — and at Christmas, it becomes a warm and nostalgic celebration of the season.

### **Our Festive Afternoon Tea Selection**

#### **Traditional Festive Afternoon Tea**

#### **Sparkling Festive Afternoon Tea**

## **The Weston Manor Festive Tea Selection**

### **BLACK TEAS**

English Breakfast – Full-bodied with rich honeyed malt.  
Ceylon Breakfast – Smooth, bright, and aromatic.  
Darjeeling Second Flush – Light, floral, with subtle grape notes.  
Earl Grey – Silky black tea lifted by fragrant bergamot.

### **GREEN & WHITE TEAS**

Jasmine Silver Needle – Delicate white tea scented with jasmine.  
Jade Sword – Sweet, refreshing, and spring-like.  
Sencha – Mellow and rounded, gently steamed.

### **HERBAL & FRUIT INFUSIONS**

Whole Chamomile Flowers – Floral and soothing.  
Peppermint Leaf – Cooling and invigorating.  
Lemongrass & Ginger – Warming with citrus spice.  
Blackcurrant, Hibiscus & Elderberry – Bold, fruity, and aromatic.  
Rooibos – Naturally rich with notes of vanilla and Seville orange.

## **A Festive Celebration of Tradition and Taste**
