LAVENDER
restaurant

The aim of The Weston Manor Hotel is to offer a diverse selection of wines from the world over, specific to their regions, soil and climate.

Our focus is to present the best examples of each grape; whether it be a single or blended variety, sourced from different regions of the world. Presenting a reasonable, organic and biodynamic approach to winemaking where possible.

All of this paired with the philosophy of each individual winemaker, winery, Domaine or château shows our guests the true heart of each grape, wine, region and country.

All of the wines that we serve are sourced by our sommelier & beverage director, working closely with suppliers or directly with the wineries to enable us to have the best selection as available.

If you would like to learn more about wine tasting and selection, our sommelier is always ready to explain and guide you for all your wine purchases and food and wine pairings.

At Weston Manor, we are proud to be cultivating a culture of passion and knowledge around wine among all our staff. We believe that wine is not just a product, but a story – and we are committed to sharing that story with our guests through continuous learning and development.

Our team is encouraged and supported to deepen their understanding of the fantastic world of wine, with opportunities for training, tasting, and professional growth at every level.

Together, we have curated a diverse selection of wines, including organic, biodynamic, and vegan-friendly options. Please note that unless otherwise stated, all wines on this list may contain sulphur dioxide.

While we strive to maintain consistency, the availability of certain vintages and producers may vary. In such cases, a carefully chosen alternative will be offered.
